The success of any club is dependent on attendance, commitment, dedication and participation from every member. The character of TUDC is determined by the dance standards that the instructor and dancers set out for themselves. In order to maintain these standards, full attendance and participation at weekly dance classes, practices, workshops, competitive and non-competitive performances are necessary. At this time, all TUDC dancers and families are reminded of this importance. Please acknowledge that you have read and understood the guidelines, expectations, and commitments as explained in the 2020-2021 TUDC Information Handbook and agree to the payment terms as outlined in this Payment Contract by signing below.
